

AOA Return to Sport Plan

Batawa Ski Racing Club

Oct. 19, 2020

While maintaining compliance with Ontario's Chief Medical Officer of Health and the province of Ontario's Regional Public Health Units (PHUs), our club is following the guidelines set out by our Provincial Sport Organization, Alpine Ontario Alpin, in order to restart operations and return to sport during the COVID-19 pandemic.

Guiding principles from Ontario Provincial Health Authorities.

How to Stay Safe

Ontario's fight against COVID-19 is not over. Everyone must do their part to keep each other, our families and our communities safe. Ontario's successful recovery depends on you. You can help by:

	Staying at home and away from others if you are feeling ill		Washing your hands frequently with soap and water
	Maintaining physical distancing of at least two metres from people outside your immediate household in public		Using an alcohol-based sanitizer if soap and water are not available
	Practising good hygiene (avoiding touching your face and covering your cough or sneeze)		Wearing a face covering in public where physical distancing is a challenge or not possible
	Limiting outings and public gatherings as per emergency orders		Increasing cleaning of frequently touched surfaces
	Minimizing travel and self-isolating for 14 days after all international travel		Working remotely or redesigning spaces and interactions to make them safer
	Getting tested if you are worried you have or have been in contact with someone who has COVID-19		Protecting the most vulnerable

Alpine Ontario Alpin requires all members to read and understand this plan and sign a copy of the attached "SPORT PARTICIPANT COVID-19 AGREEMENT" prior to involvement in any club event.

Our club has appointed **Brandi Hollinger & Jamie Moore** as our primary point of contact regarding this document and our COVID-19 Return to Sport process. Any questions or communications around these matters, including reports of cases of COVID-19 among participants should be directed to Brandi or Jamie to ensure our policies are being fully adhered to.

This plan has been approved by our Board of Directors on Oct 19, 2020.
