

COVID-19

Screening Tool

Any individual attending a Batawa Ski Racing Club practice or event should review the following checklist each day. Parents/Guardians should review on behalf of their racer. Please visit www.batawaskiracing.com for more information.

Do you have any of the following:

Fever (37.8°C or higher) or chills

Cough that is new or worsening, or barking cough*

Shortness of breath, making whistling noise while breathing*

Sore throat or difficulty swallowing*

Runny, congested or stuffy nose*

Decrease or loss of taste or smell*

Pink eye*

Headaches or muscle aches that are unusual or long lasting*

Nausea, vomiting, diarrhea, stomach pain*

Extreme tiredness that is unusual*

Sluggishness or lack of appetite

Falling down often (for older people)

***Not related to other known causes or conditions (for example, a runny nose that is not related to allergies, being outside in cold weather, etc.)**

In the past 14 days, has the child had close contact with a confirmed case of COVID-19?

(e.g., was less than 2 metres away in the same room, lives in the same home)

Yes
 No

Has your child returned from travel outside of Canada in the past 14 days?

Yes
 No

If you answered **yes** to any of these questions, stay home and self-isolate right away. Please advise BSRC by email at communications.bsrc@gmail.com and call your health care provider or contact a COVID-19 assessment centre.
